

## SWAT HUU Analysis problem

Posted by plum - 2009/10/11 10:16

---

During the step of "HRU Analysis" in SWAT, I have completed the "overlay" successfully, but the HRU Definition is still grey. Please help me, everybody. Thanks a lot.

Hi,  
What software are you using? There are not any HRU options in AGWA 2.0 at this time, so you must be using something different. If you can provide more details, I can help point you in the right direction.
